Application No. 10/760,557

Group Art Unit 1646

Filed January 21, 2004

Examiner: Mertz, Prema Maria

For: HUMAN CIRCULATING CYTOKINE CC-1

LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

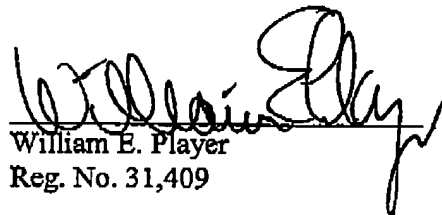

This paper is transmitted, via facsimile, to bring to the examiner's attention an obvious typographical error occurring in the response (to restriction) filed December 20, 2005.

In the response, election was correctly made "to prosecute Invention Group I," which corresponds to claims 9, 13, and 16-19, according to the restriction. However, "9-13"—instead of "9, 13"—is indicated in the response. The error, while inadvertent, is nonetheless regretted.

Respectfully submitted,

JACOBSON HOLMAN PLLC
